

uFerris Evaluation Board – Terms of Use and Disclaimer

IMPORTANT NOTICE – FOR EVALUATION PURPOSES ONLY

This product (“Evaluation Board”) is intended solely for research, evaluation, and development purposes and is not a finished product. It is not intended for consumer use, resale as a finished product, or use in any safety-critical, life-support, or production system.

The Evaluation Board may not comply with the requirements of the European Union directives on electromagnetic compatibility (EMC), safety, or radio equipment when used as a stand-alone item. It is designed to assist developers in evaluating electronic functions or subsystems under laboratory conditions only.

By using this Evaluation Board, you acknowledge and agree that:

1. No CE compliance is claimed under the EMC or Low Voltage Directives for this product as supplied.
2. RoHS compliance has been ensured for all components and materials used.
3. The Evaluation Board is provided “as is” without any warranties of any kind, either express or implied, including but not limited to merchantability or fitness for a particular purpose.
4. It is the responsibility of the system integrator or final product manufacturer to ensure that any final or commercial product incorporating this board complies with all applicable EU and national regulations and directives.
5. The Evaluation Board may not be offered for sale, lease, or distribution as part of a commercial product or for production use.
